

Superior Professional Support Nomination

ELIGIBILITY

Any employee of the NRCS, Conservation Commission, GA Forestry Commission, Department of Natural Resources or other conservation professionals working in the State of Georgia.

NOMINATIONS

Nominations may be made by any Georgia Soil and Water Conservation District Supervisor or any District Board. Such nominations must be signed by the supervisor where he or she is the nominator, or signed by the district chairman where the Board is the nominator.

JUDGING CRITERIA

- 1) Priority and emphasis will be given to the nominee's professional contributions in soil and water conservation. The nominee's other civic and personal accomplishments may be considered.
- 2) Such contributions must indicate a high degree of professionalism.
- 3) The contributions of the nominees must be recognized by the public and by his/her peers in the field of conservation.
- 4) The nominee must have displayed unusual initiative and innovation in the performance of his/her work.
- 5) General information of a type or nature which will support the nomination.

DOCUMENTATION

Please complete the form on the second page of this document and attach any additional sheets or letters of recommendation. Send all information electronically to info@gacd.us. Deadline to submit is December 31, 2023.
